¹ EdD registration sits at Faculty level, please list DCU Institute of Education where this is applicable.

² If approved, the registration date will normally be used as the basis for determining minimum and maximum timescales for assessment and registration (e.g. a candidate who registers as a full-time year 2 student in January will normally be deemed to have completed 17 months of study: they will be permitted to submit PGR4 after 31 months and will reach their maximum registration period in August of Year 5).

³ If candidate will be residing abroad, a PGR13 form and remote supervision agreement are also required.
